On Sept. 16th 2005 at 9:30pm while being a detainee in C.C.T. Div. 11 Tier AD Cell Lower 10 I Terrell Jones was in segregation and was out for my hour out of my cell along with cells Lower 11 & 12. When about 11-14 other inmates who had jammed their cell doors to come out unauthorized by officers were all in Lower 3 cell came out to attack me with "Shanks" These are man-made sharpened metal objects from the light fixtures and or metal rods taken out of the Chuck Holes of the cell doors. I was fighting for my life the other inmates from cells 11 & 12, whose names are Tyrus Smith and Terrance Scroggins (from cell 12) tried to aide me cause I was cornered by this mob into the bathroom and shower. They also finally got the attention of the officers who were all in the hallway out of site including the Co/Michas who was working over tier. I suffered lacerations and punctured wounds, about my arms, head, shoulders and through my left hand. When officers Hawkins and Monroe came on the tier all the inmates ran back into their cells and started to flush the objects down the toilets for disposal as other officers responded I was laying on the floor covered in blood and injured but the officers came running in and began punching, kicking and stamping on me all the while "I'm staying

(continued to next page)

I'm the Victim "and" I'm injured." Other inmates were yelling out of their cells the same thing. The officers then started yelling stop resisting, but how was I when I had a knee in my neck, my injured arm twisted, Officer Michas standing and stamping on my left hand, Officer Phipps punching me in my face while other officers are pounding about me excessively. Lt. Dalton started to yell, "the nurses are here, nurses here." Then Sgt. Krauskopf started, "yelling Nurse on Deck" repeatedly, all the while I'm saying I can't breathe I'm not resisting, I'm going to sue. The officers saying how much you want, counting 1 million, 2 million, as they continued to punch me. The Sgt. Krauskopf had to physically lean over and push

co/ Diaz, C/o Scott, Phipps, Morris etc. all of them off me saying the nurses are out there. I was then allowed to be seen by Nurse. Taken to dispensary then to Cermak, then to John-Strager County Hospital myself, scraggins who suffered a fractured wrist or thumb, and 2 of the attackers. But before taken to Cermak I was interviewed by detectives who were trying to convince me I couldn't sue or press charges cause he claims I was out when it wasn't my hour. He checked the officers log sheet but in fact the officer had let cell before stay out a 1 hour extra, then let out my cell 10 & 11. Cell 12 were his workers so they were allowed out. I didn't receive a ticket for being out. One week before this A.D-Tier was shook down and searched by officers they found numerous of sharpened, and unsharpened metal. Also banned doors including broken light fixtures in cells where the metals come from and some ~~etc.~~ Inmates received tickets. But the lights were not fixed. For further prevention of destruction to get more metal from them.

V. Relief:

State briefly exactly what you want the court to do for you. Make no legal arguments. Cite no cases or statutes.

I FEEL that I should be compensated for the mental, emotional
and physical injury I suffered while in custody.

VI. The plaintiff demands that the case be tried by a jury. ☒ YES ☐ NO
